

PETITION TO RETAIN INCOMPLETE GRADE PERMANENTLY ON RECORD

The regulations of the Berkeley Division of the Academic Senate require that:

1. Units for an I grade no be included in computing the student's grade point average.
2. For GRADUATE STUDENTS, the method of replacement of the I grade by a final grade will be determined by the Dean of the Graduate division and the Graduate Council.
3. For UNDERGRADUATE STUDENTS, an I grade can be replaced by a final grade only during the following periods:

<u>I Grade Received</u>	<u>Deadline for Replacement of I GRADE</u>
Fall Semester	First day of instruction in following Fall Semester
Spring Semester or Summer Session	First day of instruction in following Spring Semester

Any I grade which has not been replaced by the deadline will be converted by the Office of the Registrar (OR) to the grade of F (or NP if the course was taken Passed/Not Passed). Thenceforward, but not retroactively, the grade, if F, is included in the student's grade point computation.

4. An UNDERGRADUATE STUDENT may, within the above deadlines, request that the I grade not be replaced by an F or NP grade. To do this, the student must complete this petition and submit to it to the Dean of their College, School or Division along with a written statement that the student has not attempted completion and will not complete the work required for removal of the I grade. If approved, the Dean's Office will forward the petition to the Office of the Registrar and the I grade will remain permanently on the student's academic record. This procedure is limited to two courses and the original decision is irrevocable.

Note: Once this petition is signed by the student and submitted to the dean, the course work may never be made up or repeated by the same course or its equivalent.
