INSTRUCTIONS

STUDENTS:

1. Use ballpoint or other ink pen. Use BLUE or BLACK INK only. Provide all identifying information as indicated, including your Student Identification (SID) number (the number on your Cal Photo ID card).
2. List the courses which you are presently taking in the "Class Enrollment" section. Provide all information as indicated. Be sure to list the total number of units you are taking in the space provided.
3. Contact each instructor for approval. You must have your instructors' signatures in the appropriate spaces in order to continue attending your classes. You are subject to the same enrollment regulations as students who have enrolled on time.
4. Obtain other required signatures as follows:
 - A. **Major Adviser**
If you have officially declared a major (not required for undergraduates in the Colleges of Chemistry, Engineering, Environmental Design, and Natural Resources).
 - B. **Faculty Athletic Representative**
If you are an athlete participating in Intercollegiate Athletics.
 - C. **Dean or Dean's Representative**
UNDERGRADUATES must obtain this signature.
GRADUATE STUDENTS wishing to request late enrollment should reach out to their Graduate Student Affairs Officer (GSAO) to submit a re-enrollment request on their behalf.
5. If you are filing this form for the current semester, you will be billed automatically for any registration fees owed. If you are filing this form retroactively (i.e., for a semester which has already been completed), your classes will not be processed until the registration fees for that semester are paid in full.
6. Return this form to your college advisor before the last day of instruction so they can enroll you in classes approved by the instructor.
7. NOTE TO COLLEGE ADVISORS: You should have access to Add/Drop students until the last day of instruction. If the student was already active for this term but was Discontinued for Non-enrollment, reach out to the Office of the Registrar to reactivate their record. If the student was not active for this term or the previous Fall/Spring, the student must apply for readmission.

INSTRUCTORS:

1. Check either the "Yes" or "No" box to indicate whether the student's work is satisfactory to date.
2. This student must have your approval to continue attending your course. If you approve this student's continued attendance, please sign and date in the spaces provided. If you do not approve the student's continued attendance in your course, DO NOT sign this form.
